The CCK in partnership with ICANN organizes  
The Fourth **4** WORKSHOP under the title

## INTERNET GOVERNANCE, NUMBER RESOURCES MANAGEMENT AND DNSSEC

Wednesday April 19<sup>th</sup>, 2017 - Faculty of Sciences of Gabes

The Internet Corporation for Assigned Names and Numbers (**ICANN**) and Centre de Calcul El-Khawarizmi (**CCK**) are pleased to announce their collaboration on a Youth Education Initiative to enhance capacity in Tunisia through a bi-monthly series of educational workshops.

This initiative is part of an academic engagement program co-organized by **ICANN** and **CCK** with support of local community experts who will present on the specific workshop topics.

This is a **fourth** in a series of bimonthly Workshops organized at Tunisian university campuses.
